Watonga Main Street is entering a new year of service to the community. With your help we are creating an environment of pride and vitality in our downtown area by restoring historic buildings and increasing citizen involvement. Watonga Main Street relies solely on volunteer and financial support from the community. Your membership dues are an investment in the future of Downtown Watonga, helping us to sponsor improvements and events throughout the year. Current projects are new park benches along Main Street and keeping the beautiful Main Street flower beds maintained.
